2 February 2020

It's good to go on holidays and it's good to come back, particularly if you feel CALLED.

I think we have a lot to look forward to.

Thank you to the Locums, Graham Hodgkinson, Hilary Singleton and Sue Woodcock.

I've just about finished my AGM report. Have you?

I want to thank Ros for all her faithful work over many years. You have been a real agent of God and an enabler of mission. Thank you. Today we are having a lunch at the Kingy Bowlo at 1 pm for a farewell lunch. You are all welcome but if you have not reserved a spot then you'd better contact MARG Dephoff right now (0437 400429).

Gundi Newland has started in the office and has well and truly got her Trainers on.

This week I'll attend Bishop In Council and a clergy conference.

Lent: Ash Wednesday is 26 February and worship will be at 10 am and 7 pm in Kingscliff.

Our **Lent study** will be a bit different this year. Our contemplation will be assisted by the film series "**The Bible Tells Me So**" by **Peter Enns**. We will be using a DVD and a study guide. The parish office will print of the DVD's and the discussion guide (\$10 per DVD and discussion guide).

"What if the Bible is fine just the way it is? Not a well behaved Bible, where everything lines up and makes sense, but the messy, troubling, and weird Bible we actually have? What if the Bible doesn't need to be protected and defended, but understood—just as it is? What if the real problem isn't the Bible but the false expectations we sometimes bring to it? Perhaps, when we let the Bible be the Bible rather than what we expect it ought to be – or need it to be – we will find a deeper faith in the

process. We hope these films with biblical scholar Peter Enns around the chapters in his book, The Bible Tells Me So will stir your imagination, deepen your trust in God, and that the Bible comes alive in new ways for you and your community”.

I don't expect you to agree with everything that Peter says, that would be sycophantic and cultish. I do hope you will engage with the text of the bible in a thoughtful and prayerful way. The purpose and the goal of the Christian life is to have a relationship with The Way, The Truth and The Life that the bible points to. It's my prayer that this series will be a catalysis for that movement and relationship.

We will convene various groups throughout the parish. If you would like to host and or facilitate a group please let me know. I'll convene a day and an evening group. If your group does not have access to a DVD please chat to me. Also, there are probably some people who would like to use the material without engaging in group. More info will follow next week.

Please pray about who you could invite to the group. I'd be surprised if there were not people in your friendship circle that would be interested.

Mission and Ministry Project: On Monday The Team will be meeting with the architect to discuss, the Development Options Study and the implications of the proposed changes to the Tweed Councils Local Environment Plan. Please pray for Ann, Marg, Terry, and myself. In due course we will write a report and convene meetings as various decision points. I expect there will be a discussion at the AGM.

My work pattern this year will be Sunday, Wednesday, Friday and Saturday. Somehow I'll make it work.

Youth Ministry: The Team has met and we are planning our first meeting for teenagers. It will probably be in March. Please pray for how we nurture the faith of teenagers.

Fr. Greg
