GREG'S CHAT

Intensive Journal Life Context Workshop

28th & 29th March

hosted by St. James Kingscliff

Great news! We have 15 spaces and have already sold 8 tickets!

This program can help you gain greater self awareness and confidence, develop skills and practices to assist with decision making, living more authentically and reflecting on all aspects of your life. Interested? The way I think about this is that it's a kind of retreat.

If you'd like to come you'd better get in quick. I'd be surprised if you were not blessed by it.
